# Accommodation

The University has 3 residential houses all with single ensuite rooms. Each house has a kitchen on every floor that can be accessed. The houses are called Oak, Maple and Beech.

All bedding and towels are provided.

## Room Allocation

We divide the students up according to their age, sex and group where possible. We take into consideration any specific requests, e.g. friends who want to share. Group leaders will stay in the same house as their students. Room allocation is normally done on arrival. If you would like any further information on this, please contact us.

## Housekeeping

Bedding and towels are changed once every 4 days. Bedrooms and bathrooms are deep cleaned every 4 days. Rooms are checked and bins emptied daily Monday-Friday.

There are washing machine and tumble dry facilities located in Platanes House that are card operated. It costs £2.00 for a laundry card, £2.50 per wash and £1 per dry. The students must provide their own washing powder.

## Key Loss

All students and group leaders will receive their own key card for the duration of their stay. If any key is lost or not returned before departure, there will be a £20 fee for a replacement.

## Deposits

We will ask each student for a deposit of €25/£25 on arrival. We will check their rooms before they arrive and before they leave, returning the money if everything is in order. If there is damage to the houses and nobody admits fault, we will ask everyone in the house to share the cost.

# Meals

When the students are on campus, they will eat their meals in the dining hall on site. When they are out on full day excursions, they will be provided with packed lunches.

Cooked breakfast is supplied once a week.

## Meal times

# Technology

Wi-fi is available in all the houses and parts of the campus and is password protected. We normally only give this password out to Group Leaders / adults due to it being a university campus with limited firewall security. It is at the Group Leader's discretion whether they give these details to their students.

There is computer access on campus and you will have access to this on a timetabled basis.

There are no public phones on site.

# Security

There is extensive CCTV coverage on campus and duty security officers 8am - 9pm as well as overnight security officers 8:30pm – 8:30am.

Emergency contacts: Each student will be given a wristband when they arrive, and this will have the following emergency telephone number printed on it: 00 44 1244 567695. If you need to contact the centre in the event of an emergency please call this number and follow the options for the relevant centre, this will then put you through to the person on duty.

Certain basic guidelines are common to all centres and students. Students should:

- Never walk away alone!
- Never leave the residence without permission in the evening!
- Always make sure they have understood when and where the meeting point is whilst out on excursions!
- Always wear their identification lanyard and their UKLC wristband! \*

\*students found not wearing their lanyard or wristband will be fined £1

# Safety

- Remember that there is a 24-hour emergency telephone number on the wristband (**0044 1244 567695**) and that the number for the emergency services (Ambulance/Police/Fire) in England is **999**, or the single emergency number for the EU including the UK is **112** or you can call **101** to report a crime where you do not need an emergency response
- The police are there to help and protect and can be asked for assistance!
- Never respond to someone if you feel threatened, simply walk away!
- Always give your money to the UKLC management team to put in the safe and never to carry large amounts of cash around!
- Be careful crossing the road. Remember that in the UK we drive on the left!
- If you are ill or need a doctor, tell a member of UKLC staff immediately!
- Keep all windows closed when not in your bedrooms!

## Insurance and valuables

Although all houses will be accessed via swipe cards, it is suggested that students try to avoid bringing very expensive items with them. If they are bringing valuables with them, it is essential that they have sufficient insurance to cover any loss of damage as neither the centre nor the company can be held responsible if anything goes missing. The Centre Manager will have access to a safe if it is required.

# Teaching

We know how important it is for each individual student to find their own path in language learning. We use a wide range of methods to engage and stimulate our students. This is why we have created a programme based on the students' age, level and need. It is called 'You Can Learn 4', or as we like to call it: 'UKL4', and it includes:

**UKL4 FUN (Ages 8-11):** Highly engaging lessons that offer a wide range of tailored material and activities for our young learners. It makes games into lessons and lessons into games.

**UKL4 CONNECTION (Ages 11-14):** Highly dynamic lessons that include a variety of topics and media, especially designed to reflect the quick-paced, interactive world our young students are growing up in. Available in levels A1-C1.

**UKL4 ACTION (Ages 14-17):** Lessons especially designed to engage our older students through more abstract tasks, topics and contemporary issues. Available in levels A1-C1.

UKL4 CONNECTION and UKL4 ACTION programmes consist of three different lessons a day:

## **1. TBL (Task Based Learning):**

During these lessons, students are encouraged to complete a task. Language is therefore acquired through the task as it emerges naturally as the result of the students' communicative needs.

## **2. S&S (Skills & Systems):**

These lessons aim at empowering our students' linguistic awareness and capabilities by working on all language skills (reading, writing, listening, speaking) and systems (grammar, phonology, lexis, discourse) as well as using materials relevant to exam preparation (KET, PET, FCE, CAE, TOEFL, IELTS, GESE).

## **3. CLIL: (Content and Language Integrated Learning):**

These lessons merge CLIL and British culture. Students learn about art, literature and science, or about the history and geography of the UK, while activating their linguistic knowledge.

# Placement tests

## Placement tests

We offer classes at four levels from elementary to upper intermediate. Students are given a placement test on their first day of classes to ensure they are placed at the correct level.

Once the tests have been marked, students won't be told their score unless they specifically ask for it but will be placed into a class level from A1-C1 based on these results.

If students are not happy with their level, they can speak with the Course Director who can decide if it is necessary for the student to change levels.

We always try to split groups into different classes to mix nationalities, but this does depend on their levels and the numbers of students that we have on site.

We will provide all course materials including a student journal and a pen.

Students are taught in class sizes up to 16 (20 for closed group).

# Programme

All UKLC summer programmes include:

- 15 hours of English lessons
- Full board accommodation in residence or homestay
- Full programme of excursions and evening entertainment
- 1 free leader for 15 students
- Placement test on arrival and End of Course Certificate

# Facilities

Sports facilities on site:

- Gymnasium
- Recreational and social areas
- Outdoor gym trail

# Evening entertainment

The UK Language Courses staff plan fantastic activities to make sure the students enjoy their evenings. For example: discos, quizzes, fashion shows, blind date, sports tournaments etc. We ask Group Leaders to encourage students to participate as much as possible and to communicate any special ideas or requests from students.

Here are a few brief descriptions of just some of our activities for students to join in on:

## **Around the World**

Consists of a number of different stations based on activities from different countries. One staff member will be placed at each activity station. They will each represent a country and have to create an activity related to that country (for example: New Zealand – The Haka). Students will be divided into groups and given a time for each station. Students will visit each station.

## **Oscars Night**

Involves students watching a number of scenes from selected films. They will have the chance to re-enact a famous selected scene. Creating their own script, which must be in English and costumes (out of various given equipment). Scenes will be shown on a big screen for everyone to watch. Awards will be given by UKLC staff for the best reproduction.

## **Speed Dating**

Enables students from mixed nationalities to socialise and get to know each other whilst improving their spoken English. Students will have a short period of time to have a conversation on their interests, hobbies etc. Once the given time finishes they will move to another student and begin the same process again.

## **Talent Show**

Gives students the opportunity to perform talents such as singing, dancing and acting in front of the whole centre! Sign-up sheets will be available in the centre a few days before the event. There will be judges who will score the performances and give positive feedback to each student who performs on the evening.

*We look forward to welcoming you to Kings College London in summer 2023!*
