Queen Anne's School, Caversham is located approximately 1 mile from Reading town centre.

Reading, the county town of Royal Berkshire, is a place of surprising contrasts. It is a large town on the Thames and Kennet rivers in southern England which has existed since around 800 AD and blends the very best of old and new - from coaching inns and Victorian gothic public buildings, to imposing modern offices. It is a vibrant town with many shops and riverside restaurants and plenty of history to be explored.

Technology

Wi-fi is available campus wide and is password protected. We normally only give this password out to Group Leaders / adults. Being a private boarding school, the internet access is firewalled as per the boarding school regulations.

It is at the Group Leader's discretion whether they give these details to their students.

Wi-fi will be switched off between 00:00 and 07:00.

There are no public phones on site. The nearest is located on Church Street opposite the Alto Lounge restaurant approximately 0.8 miles / 8minutes' walk from the school.

Security

There is CCTV coverage on campus and 24/7 duty security/wardens. The main gate is locked at midnight.

Emergency contacts: Each student will be given a wristband when they arrive, and this will have the following emergency telephone number printed on it: 00 44 1244 567695. If you need to contact the centre in the event of an emergency please call this number and follow the options for the relevant centre, this will then put you through to the person on duty.

Certain basic guidelines are common to all centres and students. Students should:

- Never walk away alone!
- Never leave the residence without permission in the evening!
- Always make sure they have understood when and where the meeting point is whilst out on excursions!
- Always wear their identification lanyard and their UKLC wristband! *

*students found not wearing their lanyard or wristband will be fined £1

Safety

- Remember that there is a 24-hour emergency telephone number on the wristband (**0044 1244 567695**) and that the number for the emergency services (Ambulance/Police/Fire) in England is **999**, or the single emergency number for the EU including the UK is **112** or you can call **101** to report a crime where you do not need an emergency response.
- The police are there to help and protect and can be asked for assistance!
- Never respond to someone if you feel threatened, simply walk away!
- Always give your money to the UKLC management team to put in the safe and never to carry large amounts of cash around!
- Be careful crossing the road. Remember that in the UK we drive on the left!
- If you are ill or need a doctor, tell a member of UKLC staff immediately!
- Keep all windows closed when not in your bedrooms!

Insurance and valuables

Although all houses will be accessed via swipe cards, it is suggested that students try to avoid bringing very expensive items with them. If they are bringing valuables with them, it essential that they have sufficient insurance

to cover any loss of damage as neither the centre nor the company can be held responsible if anything goes missing. The Centre Manager will have access to a safe if it is required.

Teaching

We know how important it is for each individual student to find their own path in language learning. We use a wide range of methods to engage and stimulate our students. This is why we have created a programme based on the students' age, level and need. It is called 'You Can Learn 4', or as we like to call it: 'UKL4', and it includes:

UKL4 FUN (Ages 8-11): Highly engaging lessons that offer a wide range of tailored material and activities for our young learners. It makes games into lessons and lessons into games.

UKL4 CONNECTION (Ages 11-14): Highly dynamic lessons that include a variety of topics and media, especially designed to reflect the quick-paced, interactive world our young students are growing up in. Available in levels A1-C1.

UKL4 ACTION (Ages 14-17): Lessons especially designed to engage our older students through more abstract tasks, topics and contemporary issues. Available in levels A1-C1.

UKL4 CONNECTION and UKL4 ACTION programmes consist of three different lessons a day:

1. TBL (Task Based Learning):

During these lessons, students are encouraged to complete a task. Language is therefore acquired through the task as it emerges naturally as the result of the students' communicative needs.

2. S&S (Skills & Systems):

These lessons aim at empowering our students' linguistic awareness and capabilities by working on all language skills (reading, writing, listening, speaking) and systems (grammar, phonology, lexis, discourse) as well as using materials relevant to exam preparation (KET, PET, FCE, CAE, TOEFL, IELTS, GESE).

3. CLIL: (Content and Language Integrated Learning):

These lessons merge CLIL and British culture. Students learn about art, literature and science, or about the history and geography of the UK, while activating their linguistic knowledge.

Placement tests

We offer classes at four levels, from elementary to upper intermediate. Students take a placement test on their first day of classes to ensure they are placed at the correct level.

Once the tests have been marked, students won't be told their score unless they specifically ask for it but will be placed into a class based on these results.

If students are not happy with their level, they can speak with the Course Director who can decide if it is necessary for the student to change levels.

We always try to split groups into different classes to mix nationalities, but this does depend on their levels and the numbers of students that we have on site.

We will provide all course materials including a student journal and a pen.

Students are taught in class sizes up to 16.

Programme

All UKLC summer programmes include:

- 15 hours of English lessons
- Full board accommodation in residence or homestay
- Full programme of excursions, activities and evening entertainment
- Evening Conversation Clubs (optional)
- 1 free leader for 15 students
- Placement test on arrival and End of Course Certificate

These are summaries of UKLC English Plus programmes** for Summer 2023 at Reading, Queen Anne's School:

English Plus Multi-Activity

The "typical" summer programme consisting of a wide variety of activities and sports. Sessions are structured and are coached by specialist staff. Sessions can include tennis, basketball, volleyball, swimming, photography workshops, dance, football, and drama etc. Students are moved through two or three activities on rotation in each session.

English Plus Dance*

For students with a passion for dance. Sessions take place with a specialist dance teacher and the programme works towards an end-of-course performance to the whole school. Sessions begin with a warmup before learning new steps and techniques needed to put together a dance routine. The second part of the sessions allows students to practise what they have learnt and rehearse any routines for the final performance. Styles covered include street dance, modern jazz, contemporary and West End musical.

English Plus Drama*

For students with an interest in drama and a desire to improve their English through confidence building performances. Sessions take place with a teacher who will guide the students through a programme exploring various elements of acting, including improvisation, mime and role play. They will perform at the end of the course either a part of a well-known play or something they have written themselves.

English Plus Intensive English*

Additional English lessons for those who really want to maximise their language learning during their stay in the UK. Students will build on their lessons through additional taught classes at a level appropriate to their achievement in the placement test. The lesson content will be a continuation of the UKL4 programmes as outlined in the accompanying Academic Summary (see section on "Academic Tuition").

English Plus Life Skills*

For students aged 14-17 who want more from their summer school experience. The purpose is to develop students in a way that is going to be useful to them as they go on to become young adults. They will undertake seminars and workshops on topics such as "CV writing", "interview skills", "presentation skills", "writing for academic purposes", "projecting confidence, competence and credibility" etc. Elements of this will be incorporated into project work that will be presented at the end of the course.

*Students aged between 11 and 17 who are enrolled on Multi-Activity or English Plus courses will be divided by age for activities where numbers allow. Students can choose whether to enrol on the Multi-Activity or an English Plus course.

**These programmes vary at each centre. A minimum of 10 students applies to each programme and each student will be asked to select a 1st and 2nd option before arrival which they will join for the duration for their stay. Students who do not choose in advance will join the standard English Plus Multi-Activity.

Evening entertainment

The UK Language Courses staff plan fantastic activities to make sure the students enjoy their evenings. For example: discos, quizzes, fashion shows, blind date, sports tournaments etc. We ask Group Leaders to encourage students to participate as much as possible and to communicate any special ideas or requests from students.

Here are a few brief descriptions of just some of our activities for students to join in on:

Around the World

Consists of a number of different stations based on activities from different countries. One staff member will be placed at each activity station. They will each represent a country and have to create an activity related to that country (for example: New Zealand – The Haka). Students will be divided into groups and given a time for each station. Students will visit each station.

Oscars Night

Involves students watching a number of scenes from selected films. They will have the chance to re-enact a famous selected scene. Creating their own script, which must be in English and costumes (out of various given equipment). Scenes will be shown on a big screen for everyone to watch. Awards will be given by UKLC staff for the best reproduction.

Speed Dating

Enables students from mixed nationalities to socialise and get to know each other whilst improving their spoken English. Students will have a short period of time to have a conversation on their interests, hobbies etc. Once the given time finishes they will move to another student and begin the same process again.

Talent Show

Gives students the opportunity to perform talents such as singing, dancing and acting in front of the whole centre! Sign-up sheets will be available in the centre a few days before the event. There will be judges who will score the performances and give positive feedback to each student who performs on the evening.

We look forward to welcoming you to Queen Anne's school, Reading, in summer 2023!
