Students on an excursion

We missed hosting students so much when the freedom to travel was limited. It has been wonderful to reopen our centres and welcome students back with open arms. It has been great to see students returning to the UK from many countries, mixing, experiencing the language and once again being able to explore the UK.

English Lessons

We know how important it is for each individual student to find their own path in language learning. We use a wide range of methods to engage and stimulate our students. This is why we have created a curriculum based on the students' age, level and needs, structured into three different programmes:

Fun
(ages 8-11)

Engaging lessons that offer a wide range of material and activities specific for our young learners. It makes games into lessons and lessons into games.

Connection
(ages 11-14)

Dynamic lessons that include a variety of topics and media, especially designed to reflect the quick-paced interactive world our younger students are growing up in. Available in levels A1-C1.

Action
(ages 14-17)

Lessons specifically designed to engage our older students through more suitable tasks, topics and contemporary issues. Available in levels A1-C1.

The Connection and Action programmes consist of three different lessons a day:

TBL (Task-Based Learning)

During these lessons students are encouraged to complete a task. New language is acquired and skills developed through the task as the students speak and work together.

S&S (Skills and Systems)

These lessons aim to empowering our students' linguistic awareness and capabilities by working on all language skills (reading, writing, listening, speaking) and systems (grammar, phonology, lexis, discourse), as well as using materials relevant to exam preparation (KET, PET, FCE, CAE, TOEFL, IELTS, GESE).

CLIL (Content and Language Integrated Learning)

These lessons merge CLIL and British Culture. Students learn about art, literature, and science, or about the history and the geography of the UK, while activating their linguistic knowledge.

Placement Tests

We offer classes at all levels from Elementary to Advanced. Students take a placement test on their first day of lessons to ensure they are placed at the correct level*. We also offer a specific test for students with special needs.

Examinations

We offer the option of taking the Trinity College London Graded Examination in Spoken English (GESE) on site for courses of 10 days or longer.**

Year-round Programmes

We can offer alternative, bespoke English language lessons for our ministay groups. We can deliver a range of English for Specific Purposes courses on request so please contact the team to discuss your group's requirements.

Students who are on the Fun academic programme do a different structure of lessons designed especially for younger learners. Students are taught in class sizes up to 16.

*Due to the variability of students' test results, a single class may occasionally include students of slightly different levels.
**Minimum of 10 students across all groups required to source an examiner.

Welfare

As specialists in programmes for young people aged 8-17, the safeguarding of children is fundamental to the way UKLC views and ensures the well-being of its students. We have developed robust systems and processes for managing the welfare of children in our centres.

Steps we take to ensure the welfare of students;

- All staff undergo appropriate background and safeguarding checks.
- A dedicated Safeguarding and Welfare Coordinator at every site during the summer. For year-round groups our Ministay Coordinators manage safeguarding and welfare support.
- All students are given an induction lesson highlighting the rules for their centre and all group leaders attend an induction meeting when they arrive which details their responsibilities.
- We work with group leaders to ensure their students have a safe and enjoyable stay, taking full responsibility for students when they are in lessons and on scheduled activities. We assist group leaders to ensure students' safety and care outside of scheduled activities and during excursions.
- UKLC staff are available 24 hours a day for any issue that may arise and there is a 24-hour emergency number for partners, parents and students.
- All students get a UKLC wristband and lanyard to be worn at all times.
- Individuals are allocated to a member of UKLC staff who will act as their group leader and point of reference at all times (summer only).
- Our Operations and Safeguarding Handbook is distributed to all staff and is available to download on the website. Policies and procedures for welfare and safeguarding are available on our website and in our downloadable handbooks.

Student Resilience and Wellbeing

Whilst the physical welfare and safety of our students has always been important, we believe that we need to focus on their mental welfare too. In recent years there has been a greater awareness of mental health in young people. An experience away from home, especially in current global climate, is an opportunity to strengthen that.

Along with sessions on General Safety and e-Safety, we have introduced a new session for every student. We dedicate lesson time to "Resilience and Well-being". It will help students to process the ever-changing world around them and their ability to adapt to it. We also offer them ideas and tools to manage their own well-being.

Summer Schools

UKLC summer schools provide students with an unforgettable experience here in the UK. The programme includes 15 hours of English lessons with a full programme of excursions and activities for students to enjoy. In London students get to experience the capital city with daily excursions and everywhere else an English Plus programmes enable students to tailor make their learning journey.

I have made friends from around the world and I hope that we will stay in touch forever. I have learned about England and also other countries and different people.

Evening Activities

In the evenings our Activity Teams deliver fun and engaging activities for students to practice their English and make new friends. Evening activities are included on our summer programmes and can be added into year-round programmes on request.

Activities can include:

Oscars Night

Students watch a number of scenes from selected films and re-enact the famous scenes. Creating their own script in English and costumes. Scenes are then shown on a big screen for everyone to enjoy and awards are given for the best reproduction.

Red vs Blue

An activity with a competitive edge! Students are split into two even teams; red and blue. They battle through a number of fun challenges, activities and party games to be crowned the champions.

Lip Sync Battle

As seen on TV, lip sync battles are fun and a great way to get the students involved. Two students will lip sing to the same song, at the same time to win over the audience and gain their vote. An expressive and engaging activity.

Talent Show

Gives students the opportunity to perform talents such as singing, dancing and acting in front of the rest of the centre. Judges score the performances and give positive feedback to each student who performs on the evening.

'Trashion' Show

Fashion with a recycled edge! Students are given a random selection of items to create new outfits and designs. Complete with a catwalk and judges.

Disco

Students get to socialise and dance to new and classic music played by the DJ at the disco.

Conversation Clubs

For older students or those who want to focus on developing their language skills they can join a conversation club and discuss interesting topics and issues whilst getting to know other students.

This is an example of evening activities provided at our centres. Students are provided with their evening activity programme on their first day.

Residential students do a full programme of evening activities. Homestay students spend their evenings with their hosts and do two evening activities per week at the centre.

Individual Programmes

We offer individual juniors programmes at four of our centres. Students are allocated a UKLC member of staff to act as their Group Leader and point of reference at all times.

Over the years we have sent many students with UKLC and I can safely say there have been no negative comments whatsoever. All the feedback we've ever had has been extremely positive. Can't recommend them enough.
