Testimonials of Former Teacher and Activity Leaders

Reflecting on my enriching journey with UKLC, I eagerly anticipate another summer of growth and opportunity. UKLC provided me with my first official teaching experience, a pivotal step that I am immensely grateful for. I am already in love with teaching and I am committed to enhancing my teaching skills.

The steadfast support from UKLC's management team has been transformative. Each day, I felt a surge in confidence as they empowered me to excel. As a recent university graduate, this experience allowed me to showcase my abilities in a real-world context, making my post-graduation journey profoundly positive.

UKLC will be an invaluable chapter in my professional life. I'm excited to continue this incredible journey, knowing that each day brings fresh chances for growth, learning, and empowerment. Here's to another fantastic summer ahead!

Banan, Summer 2023

Working at summer school 2023 gave me an interesting blend of responsibilities that meant I felt my skills as a teacher growing every day. Whether I was in the classroom or doing activities with students, my abilities were tested in a supported and positive environment which enabled me to deliver great lessons and build a great rapport with my students.

Harry, Summer 2023

The most enjoyable thing about working for UKLC has been seeing the students having a nice time and leaving happy. The highlight was that every day we were making a difference in a young person's life, no matter how small. They were enjoying what they were doing, and our team were the ones who were delivering that!

Sarah, Summer 2023

I'm Mila and last summer I had an incredible opportunity to work in different UKLC centres: Newbattle Abbey College, Edinburgh, University of Chester, University of Chichester, King's College, London, Queen Mary University of London and others.

I was proud of my students from different countries who had an amazing opportunity to increase their multicultural awareness, develop their leadership and public speaking skills and learn to work in a diverse environment.

I widely used group projects and in-class activities which promote better communication between children who learned to foster intercultural friendships. I was happy to see my students' sparkling eyes, I was inspired by the incredible atmosphere and so proud to be a part of the amazing UKLC team!
