Short Transfers

The Centre

Bootham School is a traditional English private boarding school in the centre of York. It is a closed urban campus 6 minutes' walk from the city centre.

It is a closed site with high security; there is CCTV on campus and the buildings have coded doors for access, the entrance gate is locked overnight and there is an on-site security guard from 8am until 10pm.

On campus, there are grass areas where students can take part in sports and activities.

In this centre, we accept students travelling in a group from 8 - 17 years old.

York is undoubtedly one of the most beautiful cities in the UK, known for its rich history and heritage. It is to be found 40km to the east of Leeds and 40km from the east coast of England. The city has a proud Roman and Viking heritage which is still in evidence today. With a population of 200,000, York is big enough to feel lively, but small enough to be friendly and easy to explore on foot. York is regularly voted one of the best places to live and visit in the UK.

Residential Accommodation

The school has two residential houses with single, twin, triple and multi-bedded rooms and shared shower and toilet facilities. Each house has its own common room with TV. The houses are called Rowntree and Fox.

The rooms in Rowntree are made up of 4 singles, 8 twins, 3 triples, 3 Quads, 1 Quint and 1 room of six. There are shared bathrooms with a ratio of 1:5 with 14 showers in total. There are 6 kitchens and 1 common room in this house. All rooms in Rowntree are in corridors.

The rooms in Fox are made up of 7 singles, 9 twins, 6 triples, and 8 quad rooms. There is a total of 17 showers and 1 bath making a bathroom ratio of 1:5. There are 3 kitchens and 1 common room in this house. All rooms in Fox are in corridors.

There are also two additional residential houses we will be using, which are a short 5 minute walk from the school. The houses are located on the same road as Bootham school. The houses are called Manor and Dronfield.

Manor is made up of single, twin, triple and quad rooms. This house has a bathroom ratio of 1:4 and there is 1 kitchen and 2 common rooms in this house.

Dronfield is made up of single, twin and triple rooms. This house has a bathroom ratio of 1:4 and there is 1 kitchen and 1 common room in this house.

Room Allocation

We divide the students up according to their age, gender and group where possible. We take into consideration any specific requests, i.e. friends who want to be close to each other. Group Leaders will stay in the same house as their students. Room allocation is normally done on arrival. If you would like any further information on this, please contact us.

Housekeeping

Bedding is changed once a week. Bedrooms and bathrooms are cleaned 6 times a week. Bins will be emptied daily. All bedding is provided but **towels are no provided**.

There are washing machine and tumble dry facilities located in Rowntree house that are coin operated. It costs £1.00 per wash and students must provide their own washing powder.

Keys

This centre does not provide keys. There are key codes for each accommodation.

Deposits

We will ask each student for a deposit of €25/£25 on arrival. We will check their rooms before they arrive and before they leave and return the money if everything is in order. If there is damage to the houses and nobody admits fault, we will ask everyone in the house to share the cost.

Homestay Accommodation

Every host accommodation is different and our local organisers of homestay provision have endeavoured to provide accommodation that is of a good standard. Most homes in the UK are typically made from brick construction, with double glazed windows and usually a pitched tiled roof. The average home normally consists of a living room, kitchen/dining room, three bedrooms and a bathroom.

In addition, most homes will have an outside garden space in which to relax and enjoy the British sunshine. Sometimes your students will be the only guest, but some homestays have two, three and occasionally four students in their house. These can be students from the same group or the same nationality or a different nationality, depending upon the requests of your students.

Your students may have their own room or in some cases may be in a shared room, furnished with a bed, storage space. Students will be able to use a desk or table in the room/the house to do your homework.

Housekeeping

All homes are checked and assessed by our local organisers and must meet their exacting high standards. Our local organisers of homestay provision ensure that the houses we use are clean and tidy. For the short time that students are staying, they are a member of the household and it would be nice of them to offer to do some small tasks, e.g. set or clear the table and remember to tidy up after themselves.

Bed Linen will be provided by the host family. Students should bring their own towels.

Laundry during a homestay can differ from one host to another. Some hosts may offer to do a reasonable amount of laundry for your students and others may allow your students to do their own laundry. This may depend on the age of the students, i.e. older teenagers might be expected to do their own.

Meals

Breakfast and evening meals will be with your hosts. **During mini-stay courses throughout the year students will usually have packed lunches from their hosts.** Mealtimes will usually be agreed with the hosts. Because Britain is a multi-cultural country our food tends to be varied. Breakfast usually consists of cereal or toast and a hot drink, lunch is often something light such as a sandwich or a salad and the evening meal, usually eaten around 6pm, is the largest meal of the day and can consist of meat, fish, vegetables, with either pasta, rice or potatoes, depending on the hosts.

Please note – there is an additional cost for students with special dietary requirements staying in homestay.

Getting to and from school:

On the first day the Hosts will either drive, walk or take the bus with the students to the meeting point and show them the correct route. When they get to the centre they will meet the UKLC team and sign in for the day. At the end of the day the students meet at a designated point where the hosts will arrive to pick them up. After the first day, and once the students are happy and familiar with the route, they will make their own way to the meeting point and always sign in upon arrival with the UKLC team. In some cases, the Hosts will continue to accompany the students if, for example, it is on their way to work. **If students are aged under 13 then the hosts will be asked to accompany them to and from school on ALL occasions**

Meals

When the students are on campus, they will eat their meals in the dining hall on site. When they are out on full day excursions, they will be provided with packed lunches.

Cooked breakfast is supplied once a week.

Meal times

Breakfast: 08:00 – 08.45

Lunch: 12:30 - 13:30

Dinner: 18:00 – 18.45

If we are aware in advance, we can advise the catering staff of any dietary requirements or allergies and the canteen staff can cater to these.

*Meal times are subject to change

Technology

Wi-Fi is available campus wide and is password protected. Being a private boarding school, the internet access is firewalled as per the boarding school regulations. However, it is at the Group Leader's discretion whether they give these details to their students. Wi-fi will be switched off between 23:30 and 06:00.

Security

There is CCTV coverage on campus and the main gate is accessible via swipe card entry only overnight.

Emergency contacts: Each student will be given a wristband when they arrive, and this will have the following emergency telephone number printed on it: 0044 1244 567695. If you need to contact the centre in the event of an emergency please call this number and follow the options for the relevant centre, this will then put you through to the person on duty.

Certain basic guidelines are common to all centres and students. Students should:

- Never walk away alone!
- Never leave the residence without permission in the evening!
- Always make sure they have understood when and where the meeting point is whilst out on excursions!
- Always wear their identification lanyard and their UKLC wristband! *

*students found not wearing their lanyard or wristband will be fined £1

Safety

- Remember that there is a 24-hour emergency telephone number on the wristband (**0044 1244 567695**) and that the number for the emergency services (Ambulance/Police/Fire) in England is **999**, or the single emergency number for the EU including the UK is **112** or you can call **101** to report a crime where you do not need an emergency response
- The police are there to help and protect and can be asked for assistance!

- Never respond to someone if you feel threatened, simply walk away!
- Always give your money to the UKLC management team to put in the safe and never to carry large amounts of cash around!
- Be careful crossing the road. Remember that in the UK we drive on the left!
- If you are ill or need a doctor, tell a member of UKLC staff immediately!
- Keep all windows closed when not in your bedrooms!

Insurance and valuables

Although all houses will be accessed via swipe cards, it is suggested that students try to avoid bringing very expensive items with them. If they are bringing valuables with them, it is essential that they have sufficient insurance to cover any loss of damage as neither the centre nor the company can be held responsible if anything goes missing. The Centre Manager will have access to a safe if it is required.

Teaching

We know how important it is for each individual student to find their own path in language learning. We use a wide range of methods to engage and stimulate our students. This is why we have created a curriculum based on the students' age, level and needs, structured into four different programmes:

FUN (ages 8-10)

Engaging lessons that offer a wide range of materials and activities specific for our young learners, making games into lessons and lessons into games. Available in levels A1-B1.

CONNECTION (ages 10-13)

Dynamic lessons covering a variety of topics and media, designed to engage students using tools native to the fast-paced world they are growing up in. Available in levels A1-C1.

ACTION (ages 13-16)

Lessons tailored for learners stepping into their teenage years. This programme focuses on activating students' knowledge and competencies to balance developing a personal voice while contributing effectively to a team. Available in levels A1-C1.

PURPOSE (ages 16-18)

Lessons tailored for our students approaching adulthood, designed to kickstart their lives not only as maturing youths but also as forward-thinking global citizens. Available in levels A1-C2.

The Connection, Action, and Purpose programmes consist of three different lessons a day:

FOCUS ON LANGUAGE

These lessons aim to empower our students' linguistic awareness and capabilities by working on all language skills (reading, writing, listening, speaking) and systems (grammar, phonology, lexis, discourse), as well as using materials relevant to exam preparation (KET, PET, FCE, CAE, TOEFL, IELTS, GESE).

FOCUS ON LEADERSHIP

This programme is designed to equip students with essential 21st-century skills, focusing on leadership development, communication and teamwork. Students build the confidence and competencies needed to grow into empowered young adults.

FOCUS ON CULTURE

These lessons combine CLIL and British culture, allowing students to use English to explore a range of disciplines, including art, literature, natural sciences, as well as the history and geography of the UK.

Placement tests

We offer classes at four levels, from elementary to advanced. Students take a placement test on their first day of classes to ensure they are placed at the correct level.

Once the tests have been marked, students won't be told their score unless they specifically ask for it but will be placed into a class based on these results.

If students are not happy with their level, they can speak with the Course Director who will decide if it is necessary for the student to change levels.

We always try to split groups into different classes to mix nationalities, but this does depend on their levels and the numbers of students that we have on site.

We will provide all course materials including a journal and a pen.

Students are taught in class sizes up to 16.

Programme

All UKLC summer programmes include:

- 15 hours of English lessons
- Full board accommodation in residence
- Full programme of excursions, activities and evening entertainment
- 1 free leader for 15 students
- Placement test on arrival and End of Course Certificate

These are summaries of UKLC English Plus programmes** for Summer 2026 at York, Bootham.

English Plus Multi-Activity

The “typical” summer programme consisting of a wide variety of activities and sports. Sessions are structured and are coached by specialist staff. Sessions can include tennis, basketball, volleyball, swimming, photography workshops, dance, football, and drama etc. Students are moved through two or three activities on rotation in each session.

English Performing Arts*

During these sessions, students passionate about dancing, acting, or singing will immerse themselves in hands-on training designed to unleash their creative potential on any kind of stage. They will not only develop their talents but also experience the thrill of live performance, collaboration, and artistic expression.

English Plus Intensive English & Community Building*

Additional English lessons for those who really want to maximise their language learning during their stay in the UK. Based on UKLC's integral community-building approach, these additional lessons aim to help students develop an active role in the school as a thriving community, with its challenges, complexities and opportunity for collective growth. The Community Building lessons focus on how to empower students to work together to find possible solutions to these needs and issues by communicating with people on campus. Students create these projects that they are responsible for in order to improve these issues on campus.

English Plus Football*

For students who love football and want to play it every waking minute! Coaching sessions are led by qualified staff and aim to improve each student's technical skills and abilities. It also aims to build on their understanding of match tactics and playing systems. There are regular matches and a weekly showpiece game.

*Students aged between 11 and 17 who are enrolled on Multi-Activity or English Plus courses will be divided by age for activities where numbers allow. Students can choose whether to enrol on the Multi-Activity or an English Plus course. All students aged between 8 and 10 will be automatically enrolled on the multi activity programme.

**These programmes vary at each centre. A minimum of 10 students applies to each programme and each student will be asked to select a 1st and 2nd option before arrival which they will join for the duration for their stay. Students who do not choose in advance will join the standard English Plus Multi-Activity.

Performing arts lessons will be held in the main hall.

Sports available at this centre can include - football, handball, basketball, rounders, volleyball, cricket, table tennis, tag rugby, indoor hockey, badminton & tennis.

Evening entertainment

The UK Language Courses staff plan fantastic activities to make sure the students enjoy their evenings. For example: discos, quizzes, fashion shows, blind date, sports tournaments etc. We ask Group Leaders to encourage students to participate as much as possible and to communicate any special ideas or requests from students.

Here are a few brief descriptions of just some of our activities for students to join in on:

Around the World

Consists of a number of different stations based on activities from different countries. One staff member will be placed at each activity station. They will each represent a country and have to create an activity related to that country (for example: New Zealand – The Haka). Students will be divided into groups and given a time for each station. Students will visit each station.

Oscars Night

Involves students watching a number of scenes from selected films. They will have the chance to re-enact a famous selected scene. Creating their own script, which must be in English and costumes (out of various given equipment). Scenes will be shown on a big screen for everyone to watch. Awards will be given by UKLC staff for the best reproduction.

Speed Dating

Enables students from mixed nationalities to socialise and get to know each other whilst improving their spoken English. Students will have a short period of time to have a conversation on their interests, hobbies etc. Once the given time finishes they will move to another student and begin the same process again.

Talent Show

Gives students the opportunity to perform talents such as singing, dancing and acting in front of the whole centre! Sign-up sheets will be available in the centre a few days before the event. There will be judges who will score the performances and give positive feedback to each student who performs on the evening.

We look forward to welcoming you to York, Bootham School in summer 2026!
